WINSTON
CHURCHILL
MEMORIAL
TRUST

5 March 2012

TO WHOM IT MAY CONCERN

Mrs Ann Pascoe

Each year the Trust awards Travelling Fellowship grants to enable Churchill Fellows to carry out projects overseas. Each Fellow is provided with insurance cover, a return ticket from the United Kingdom, and sufficient funds for daily living expenses/travel within the countries they visit.

As Director General of the Trust, I would greatly appreciate any help that you may be able to give to make the project outlined below a success.

Mrs Ann Pascoe, a member of NDCAN (National Dementia Carers Action Network) under the auspices of Alzheimer Scotland, has been awarded a Travelling Fellowship for 2012 to visit India to research training programmes for lay people to detect early dementia symptoms/caregiver stress, so that similar programmes can be introduced into the rural Scottish Highlands.

Yours faithfully

Jamie Balfour
Director General
